

PROPERTY OWNERS INSURANCE

Why use Clickcover for your Property Owners Insurance?

Whether you have a single property to insure or a large property portfolio, we can deliver a solution which can be tailor-made to suit your requirements

This particular type of policy achieves the greatest interest from Insurers and as such most of the policies are similar in terms of what they provide. Typically :-

- Buildings Insurance
- Contents of Common Parts
- Landlords Fixtures & Fittings
- Loss of Rental Income
- Property Owners Liability
- Employers Liability (Caretakers etc)

Types of Occupation?

How your property is occupied is a rating factor for any Insurer but we are able to provide quotations for unoccupied properties as well as all types of tenants including :-

- DSS
- Asylum Seekers
- HMO (Housing with Multiple Occupants)
- Students
- Professional Lets

As we have access to a substantial number of Insurers for this insurance product, we are not able to detail each individual Insurers policy. However, the attached key facts document is typical for this type of policy.
